Sunday Lunch and Frog Racing

The clubhouse full of members enjoyed another fantastic afternoon of fun with the Frogs.

The day began with a wonderful Sunday Lunch of Roast Beef and all the vegetables you could manage followed by a selection of Sweet.

The members showed their appreciation for Karen Milsom and her helpers Alison Bremner, Janinne Young, Janet and Martin Smith, Trish Towner and thanks to Eric who was kept busy on the bar.

After lunch we had the Frog Racing, never having seen it before i found it hilarious. The intense look of concentration on the racers faces was a joy as they tried to coax the frogs from one end of the room to the other,

We had a quiz all about frogs (you couldn't make it up) which was run by John Towner and a raffle that raised a further £131.00 for our charity.

We all thank our fabulous Social Team Trish/ John Towner and Karen/Eric Milsom who continue to make this the best club for entertainment.

Darts in the Clubhouse

The club have invested in a new dart board, stand and mat for all members to use. You may be on Stewards duty on a rainy day with nothing to do so why not have a game of darts to pass the time we could also arrange a few competitions, who knows however it gives another string to our Social bow.

The equipment will be kept in Committee Room and is very easy to assemble. We do ask you to make sure you play in a safe place as we don't want anyone speared. Also when finished put it back where you found it.

The Gardening Team are back

The gang will be back in the weeks leading up to the start of the season clearing the pathways, tidying up the flower beds putting up a new shed as well as sprucing up the paintwork.

If you would like to join the team please contact John Towner 01425 619598
