New Forest League Season 2023

The New Forest 2023 Men's league season has now come to an end and on the whole it has been another very successful one for New Milton.

The Men's 1st team made a gallant effort attempting to retain the Championship won last season. But it wasn't to be Fordingbridge pulled out all the stops and won by 13 points. However a runners-up spot is another great achievement and shows we still have one of the top teams in the New Forest.

The "B" captained by Phil Brockhurst had a fantastic season with a runner-up spot behind Lyndhurst and have gained promotion to the top tier.

We now have two teams in the top league and i think this is the first time this has happened.

Well done to Phil and his team, the 1st team will look forward to playing you next season.

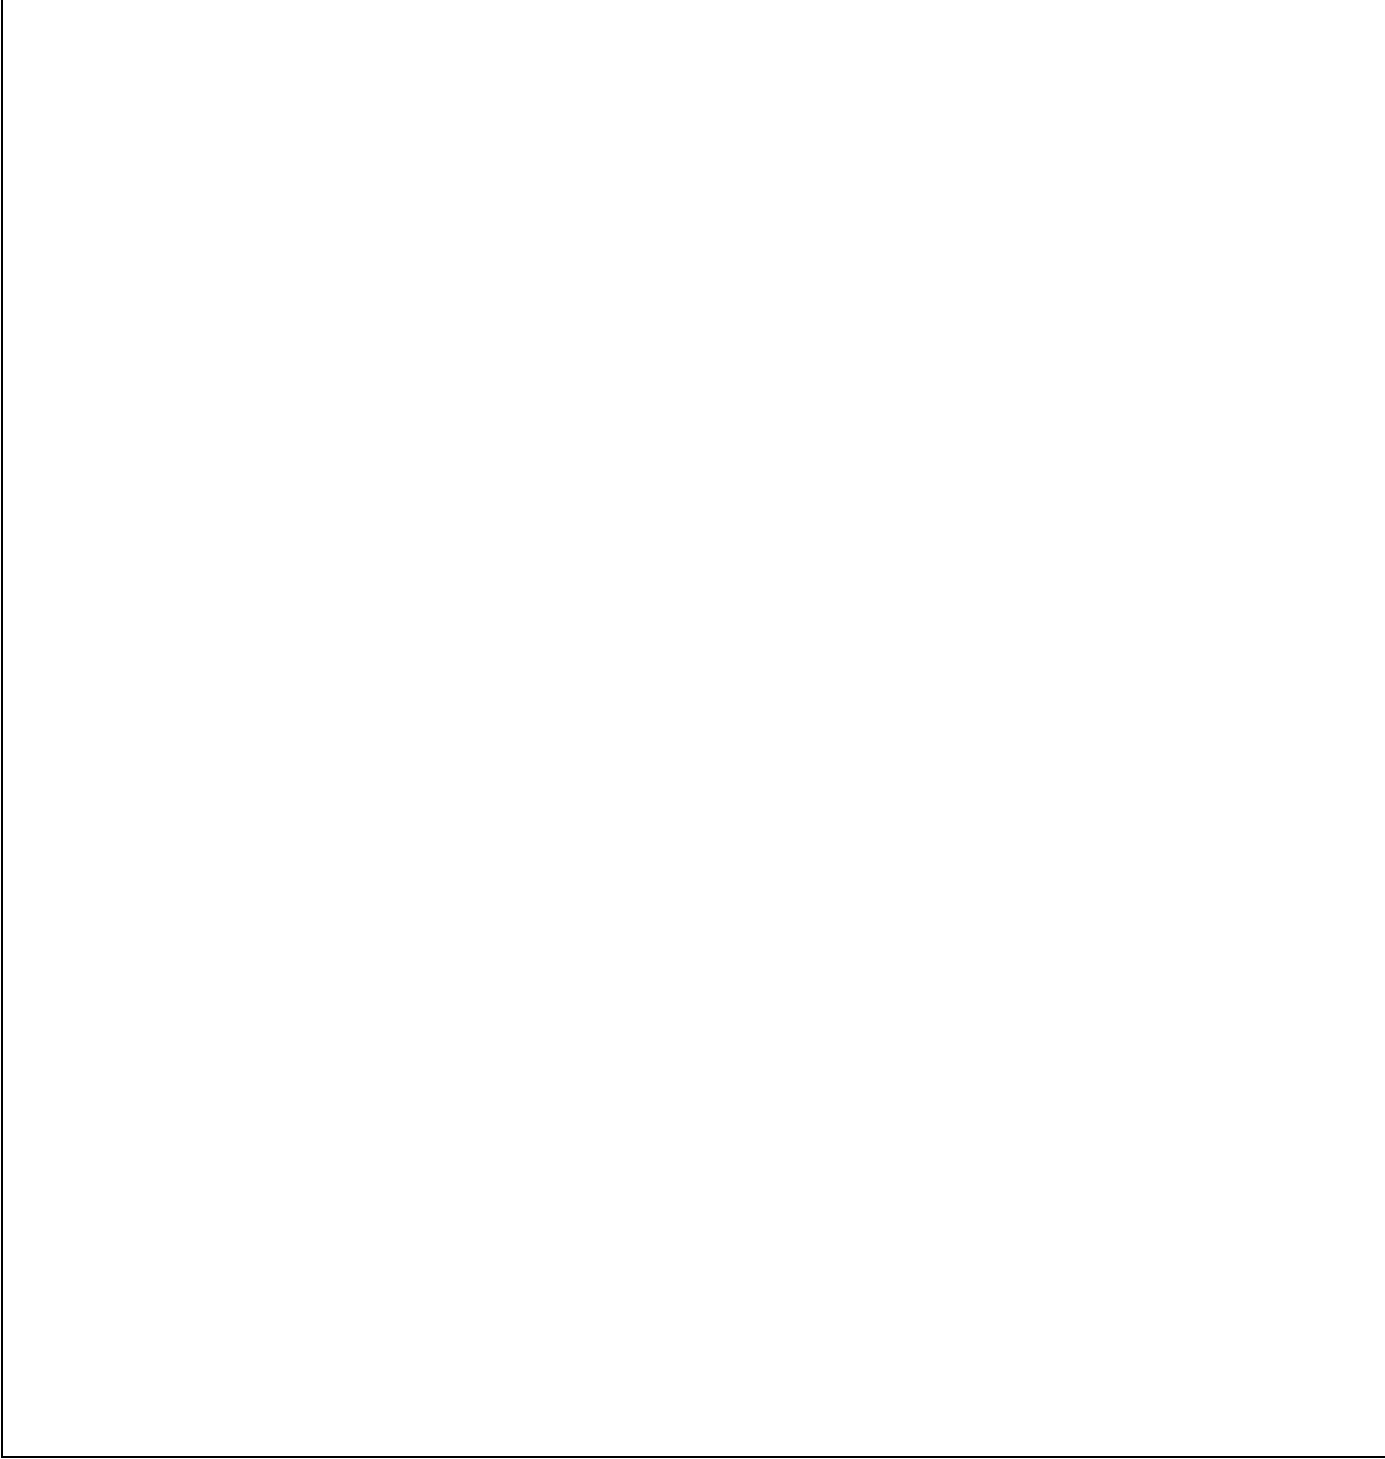

The "A" team finished mid table in division 3 winning 6 of their 12 matches.

The "C" team managed to stay up in division 4 and the "D" team kept their heads above water in division 5.

It is very difficult for our captains in the lower leagues who have to juggle their players around just to form a team.

So a lot of credit must go to the players for sticking with it and the experience for our newer bowlers playing in leagues it can only benefit the club in long run.
