Car Parking

We have introduced a new car parking scheme.

This is to ensure that we can offer you as much car parking as possible when we aren't using it ourselves. It will mainly discourage shoppers, dog walkers and flat owners from taking liberties.

Unlike the last one, this is a manual system. This means that if the Centre is shut and there are no events due in the diary, you will be able to park without worrying whether you are going to get a ticket. *(You can always pop in and ask if you are unsure, especially if there is an event in progress and there are not many cars parked, we may be able to release a couple of spaces).*

The diary will show you upcoming events. **Please make sure that you vacate the car park at least 15 mins before an event** as our patrons will be starting to arrive then.

The first time you park in error, we will give you a reminder, but after that, you will receive a parking ticket from HOZAH, the Car Parking Company for £60.00 which needs to be paid within 14 days, if not paid by the deadline, it rises to £100.00.

Thank you for your co-operation
