

Sunday Lunch & Frog Racing

Well, weren't we treated to a fabulous afternoon. A wonderful roast beef Sunday roast followed by delicious trifle. Aren't we lucky to have such wonderful people providing for us all. Thank you Karen and all her helpers.

We then followed that up with an amazing afternoon of Frog Racing and we all had a rivetting good time. After 16 very competitive races our winning teams were Les & Denise Spellor Senior, David & Jan Lewis, Val Capstick & Keith Adès and Russ Mckie. They all won a clockwork Frog.

Thank you to everyone who came and supported the club and in particular our team of volunteers who we rely on so much. Thank you to Eric & Gary for keeping us hydrated with lots of wine & beer etc. A tough job but someone has to do it. A successful raffle raised over £90 thanks Mary. Lastly to our organisers John & Trish Towner. Great fun!! Thank you.
