

Special Bowls England Day:3rd July

To start our 100-year celebrations we are privileged to entertain a special team selected by the Bowls England HQ to join us for a day of celebrations and game. This will comprise a team of specially selected players from all over the UK, coming to celebrate the incredible achievement of 100 years of bowling at NMBC. The match will involve several rinks of mixed pairs. Supporting guests and visitors enjoying the hospitality and game. Information on the format of the game, and the numbers attending is still to be finalised, but the Bowling Club have already planned a welcome buffet for the players and guests. When they arrive around 1pm, drinks and snacks will be available, and throughout the afternoon. The day will conclude with dinner and drinks, speeches and of course prizes for the day. We will expect to have several key local dignitaries at the event, all aimed at creating a highly memorable day for New Milton to commemorate the fantastic achievement of so many members and local supporters of the club over the last 100 years.

Reserved car parking spaces have kindly been provided by the New Milton Memorial Centre, and further spaces by the Council in a car park close by.
