

TARGET BOWLS/GOLF

What a FANTASTIC evening we all had! Great to see some new members attending and thoroughly enjoying themselves.

After a highly competitive bowls competition the winners were Paul & Donna Goodlad. The raffle raised £125 for the Jessie May Charity. (Thank you to everyone who donated prizes and for your support)

The Target Golf proved that all our members are up for a challenge. For many who had never played before it certainly was but a good laugh nevertheless.

We have some very capable golfers in our midst and they took our handicap system in good spirits. The winners were Margaret Clemo & Chris Cooke.

Great photos below.
