

NEW MILTON BOWLING CLUB

Burbage BC friendly 20th September 2024

The day went very well, we were very thankful for the weather as rain & storms had been forecast but chose not to arrive.

Match was played in a very friendly atmosphere. We won 1 rink and they won 2. NM 48 – Burbage 53.

Burbage on tour is a celebration of their Centenary year. They presented us with a small plaque noting their Centenary year. This was the first time they had ventured into touring, and based on their time today they are looking forward to visiting clubs in this area.

They were a great crowd and we all enjoyed their company. Unfortunately on this occasion we did not take a team photo.

We did raise £21 for the Jessie May charity.
