

*The end of Season Presentation Evening - held on Friday 17th November, and attended by up to 80 members, was the formal Presentation to all the winners and runners up of the many competitions the Club members have entered both within the Club as well as The New Forest and Bournemouth and District leagues. And the many internal competitions (many having been running for well over 20 years) was complemented by the many external competitions successes that both the Ladies and Mens teams and individuals have won in the county leagues. A great social evening as well with excellent meal and drinks and special presentation of £1800 donation to the 2023 Club Charity - Hampshire and Isle of Wight Air Ambulance, raised throughout the season by the many social events amongst members and friends. Alan Owen, one of the Charity volunteers outlined how the charity operated, how the funds are used, and how grateful the charity is to New Milton Bowling Club. He ended his presentation with a comment that had the room clapping loudly - "We hope you never need us, but if you do we will be there".*

*The pictures shows the cheque being handed over by the President, and a full table of trophies that were then handed over to the succesful members and the assembled guests.*

*A full list of all the winners and runner up names is shown in the GALLERY*
