> Presidents message

Well, halfway through our 2025 season ,with weather prefect for good bowling on excellent greens, we continue to go from strength to strength.

All league programmes going well-with hopefully more success to come.

Club competitions well organised and being completed well on time.

With two extremely successful, well supported Open Days, we have seen many new members join us.

All are most welcome and we hope they take full advantage of our welcome and facilities to one of the best clubs in Hampshire.

Everyone have an enjoyable remainder of the season . **Maureen Clark**

> Ladies Bowling

What a fantastic season to date!!

Please support the Ladies at their Area Finals

> Mens Bowling

A strong start to the season in all leagues and by all teams.

New Forest - The 1st team have been hovering around 1st place for much of the Season. The 2nd team are holding a solid 3rd place. The 3rd and 4th teams are vying for promotion. The 5th team are having a good season.

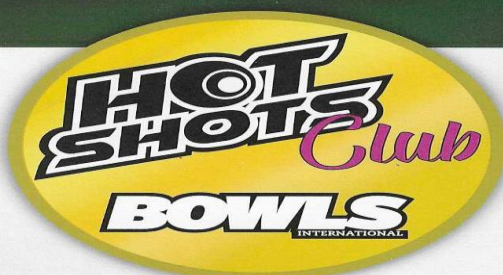

B&D - The 1st team are having a sound season. The 2nd & 3rd teams are looking for promotion. The Saturday AM team are having a good season.

We still have a number of members in external competitions. Good luck to all those players.

Not one of us will forget the epic Barnes Wallis shot by Eric (RAINMASTER) Milsom that won the match against Moordown on a horrendous rainy day.

Congratulatuions to Gary Chant & Alan Taylor for getting a Hot Shot at Fordingbridge in June this year.

This is to certify that

*Gary Chant
and Alan Taylor
scored a maximum of 8 shots in a single end, at
Fordingbridge BC
On June 25th, 2025*

**Congratulations from 15 times World Champion
and legend of the game Tony Allcock OBE**

> Premises

The security of the greens and the club house are still on our agenda and improvements are already being seen. The scaffolding will hopefully be removed by next season with higher fence replacing it. A meeting is being arranged with Mark Jeffries and Neighbourhood Police sergeant and the committee.

Additional high fencing has been added alongside the Tennis pavilion. A new CCTV system is planned for the Club House.

> Peter Spinks

Competition is at the halfway point. Current leaders are Di Proctor & Peter Streets.

A number of our recently joined members have attended and are enjoying the sessions. Bar and food being superbly managed by Eric & Karen.

> Other

An invite has been sent by the B&D to Clubs with 2 greens to run the B&D Cup in April 2026, and potentially following years.

5 Friendlies have taken place this year. All were played in excellent weather. Members and visitors enjoyed the games and each match raised money for our Club Chrity.
